

EMI

A Short Film Script

Main Characters

Prasanna – A young man from a lower-middle-class family. His biggest dream is to own a bike.

Surya – Prasanna's close friend. He buys a new bike through EMI without fully considering the financial burden.

SCENE 1 – PRASANNA'S DREAM

INT. PRASANNA'S HOUSE – DAY

Prasanna watches a bike pass by outside. He smiles and imagines himself riding it. He then turns to his father.

PRASANNA: Dad, can we buy a bike? I really want one.

His father looks at him with concern.

FATHER: Prasanna, I understand your dream. But our family situation doesn't allow us to buy a bike now. We have other important expenses.

Prasanna becomes disappointed but quietly accepts his father's decision.

SCENE 2 – SURYA'S NEW BIKE

EXT. PRASANNA'S HOUSE – EVENING

The sound of a new bike stops Prasanna. Surya arrives proudly on a brand-new bike.

SURYA: Hey Prasanna! Look at my new bike!

Prasanna walks around the bike, admiring it. He touches the handlebar and smiles.

PRASANNA: Wow! It's really nice. How did you manage to buy it?

SURYA: EMI, bro. I didn't have to pay the full amount now.

Surya invites Prasanna for a ride.

SURYA: Come on. Let's go for a small ride!

They ride together. Prasanna enjoys every moment and imagines having his own bike one day.

SCENE 3 – TWO MONTHS LATER

EXT. STREET – MORNING

Prasanna notices Surya looking worried and walking alone. His bike is missing.

PRASANNA: Surya, where's your bike?

Surya looks down sadly.

SURYA: They took my bike.

PRASANNA: What happened?

SURYA: I couldn't pay the EMI for the last two months. Someone from the finance company came and took the bike back.

Prasanna is shocked. Surya feels helpless and regretful.

SCENE 4 – THE LESSON

EXT. QUIET ROAD – EVENING

The two friends sit together and talk about what happened.

PRASANNA: I know how much you loved that bike. But a bike is only useful when we can afford it without putting ourselves under too much pressure.

SURYA: I thought EMI would make it easy. I didn't think about what would happen if I couldn't pay.

PRASANNA: Don't worry. Save money first. When you are financially ready, buy a bike that you can truly afford. Don't rush just because you want something now.

Surya nods and understands the lesson.

SCENE 5 – A NEW BEGINNING

MONTAGE – DAYS PASSING

Surya starts saving money. He controls unnecessary spending and patiently works toward his goal.

Months later, Surya stands proudly beside a bike that he has bought with money he saved.

Prasanna arrives and smiles.

PRASANNA: This time, no EMI?

Surya laughs.

SURYA: No EMI. This one is mine.

They smile and ride away together.

THE END

Message: Don't let the desire to own something today become a financial burden tomorrow. Save, plan, and buy when you can truly afford it.
